SUBJECT: Weekly Activities Report No. 29

A. SIGNIFICANT ITEMS

None to report.

B. OTHER ACTIVITIES

1. The DDP intensive ^{German Testing Program} German testing (28 Sept - 1 Oct) is in progress, and ^{German} It has been found that a higher percentage of ^{more tested} candidates are at more advanced levels than ^{in the} French and Spanish, ^{tests} tests.

2. [REDACTED] of the Office of Personnel is auditing five jobs in LTS in connection with our proposed T/O. Those who either have been or will be interviewed are [REDACTED]

3. On 16 September [REDACTED] began her first teacher-training course in the Daytime Program, at [REDACTED] request. Three Chinese native instructors are in the 10-hour course, meeting twice a week. They are learning modern dialogue-drill techniques by being students themselves. This experience will also be of great value when they start writing course materials.

[REDACTED] has taken a few basic phrases from the LTS French text and written a full set of drills to use with them. All the work is oral and in the target languages except for [REDACTED] grammar sessions. After four one-hour sessions, we can report that the "students" are making fine progress. And all hands have cooperated in making a smooth running of this training course.
